

Continental Brings the Future of Mobility to CES 2023

PUBLISHED DEC 15, 2022
BY [CONTINENTAL AG](#)

Technology company Continental is inviting customers, media and the investor community to experience the future of mobility through its latest cutting-edge technologies. At CES 2023, January 5-8 in Las Vegas, Continental will display innovations that are evolving vehicles for future mobility needs – making our roadways safer, user experience more immersive and driving more sustainable.
