

Call for Evidence on pre-hedging

PUBLISHED JUL 29, 2022
BY [EUROPA](#)

ESMA is consulting on a . The aim is to promote discussion among stakeholders and gather further evidence on the practice of pre-hedging that could help ESMA to develop appropriate guidance.

The Call for Evidence illustrates the arguments in favour and against such practice, and it requests contributions from stakeholders in order to properly delineate its admissibility in the context of Market Abuse Regulation and MiFID/MIFIR.

Stakeholders – investment firms, credit institutions, proprietary traders, market makers, asset management companies and any other market participants including trade associations and industry bodies, institutional and retail investors, consultants, and academics – are invited to submit their responses by 30 September 2022.
