

Project Review Module and Introductory Course part 2

PUBLISHED APR 29, 2022
BY [EUROPA](#)

During the module, fellows discussed their ongoing projects, exchanged ideas and tips on how to improve their field assignments and had a chance to network with EPIET, EUPHEM and PAE fellows.

From 25 to 29 April, immediately after the Project Review Module, MediPIET fellows and nominated external participants, together with fellows from the ECDC Fellowship (EPIET and EUPHEM) and PAE programme, participated in a hybrid Introductory Course part 2 also held in Spetses, Greece. During the module, fellows from all fellowship programmes learned about scientific communication, pedagogical principles and advanced microbiological methods used in outbreak investigations.
