

Nestlé to explore strategic options for the development of Davigel

PUBLISHED NOV 14, 2014
BY NESTLÉ

As part of its on-going portfolio review, Nestlé announced today that it is exploring strategic options for the development of its subsidiary Davigel, a leading provider of branded frozen and chilled food products, ice-cream and solutions for out of home in Europe. This mainly involves identifying a partner to help Davigel in its next stage of growth while safeguarding the best interests of employees, customers and shareholders.
