Telefónica strengthens its Innovation and Talent Hub with LaCabina

PUBLISHED FEB 28, 2023
BY TELEFÓNICA

● This 100% digital native space is integrated into Telefónica's Innovation and Talent Hub to continue turning the company's headquarters into a cutting-edge ecosystem of technology and new digital proposals.

● Located in the East Building 1 of Telefónica District, it has an area of 2,000 square meters in which more than 180 technological experiences are deployed in constant evolution.

● Aimed at the business and institutional environment, it incorporates real cases with developments that in many cases will not be commercialized for another two years.
