Telefónica to strengthen its strategic relationship with Microsoft

PUBLISHED FEB 27, 2023
BY TELEFÓNICA

·Telefónica extends the collaboration framework with Microsoft to the area of programmable networks through APIs in the context of the GSMA Open Gateway initiative.

·Telefónica presents the first use cases developed with these APIs and launches an Early Adopter Programme.

·It will also integrate its internal development platform and development tools with Microsoft Azure cloud services and artificial intelligence capabilities like GitHub Copilot to increase developer velocity and innovation with artificial intelligence.
