

# Final tests of the new Touareg close to the Arctic Circle

PUBLISHED FEB 14, 2023  
BY [VOLKSWAGEN](#)

This year, Volkswagen will continue the success story of the million-selling Touareg with a comprehensive technical and visual update of the premium SUV. The rear and front of the luxury SUV have been redesigned, the chassis has been further developed and impresses with its combination of comfort and performance. Before the world premiere in the summer, Volkswagen is now providing a first preview of the update for its top model.
