

# 'Power Agreement' – collective bargaining agreement concluded for Volkswagen's battery company PowerCo

PUBLISHED MAR 13, 2023  
BY [VOLKSWAGEN](#)

PowerCo SE and IG Metall Lower Saxony and Saxony-Anhalt have reached agreement in the collective bargaining process. The collective bargaining agreement, which enters into force on May 1, 2023, provides a stable framework for a sustainable organization in addition to attractive working conditions. Featuring innovative elements such as flexible elective working hours for staff, the collective bargaining agreement will be instrumental in placing PowerCo in a strong position in the competition for the best talents. At the same time, the lean nine-grade remuneration system will create transparency and reduce complexity.
