

PowerCo and Umicore get official “go” to start joint venture for EU battery materials production

PUBLISHED MAR 22, 2023
BY [VOLKSWAGEN](#)

PowerCo, the new battery company of the Volkswagen Group, and Belgian circular technology group Umicore have obtained full regulatory approvals for their joint venture announced in September 2022. The partners can now swiftly proceed to prepare for large-scale industrial production of cathode active materials (CAM) and precursor materials (PCAM) in Europe.
